MEMORANDUM FOR: Deputy Director, Administration

FROM: Assistant Director, Research and Reports

1. Attached is a memorandum regarding security procedure which I am sending Mr. Dulles at his request pursuant to a memorandum of his, copy of which is attached, and various conversations we have had on this subject.
2. The proposal for a Review Committee is a tentative one, put forward only as a suggestion and does not in any way reflect any dissatisfaction on my part with the services performed by IASO, whom I have always found most helpful and cooperative.
